# 2024-2025

---

For the school year 2024-2025 the members of the Parents' Association once more prioritised activities that contribute to the OGO method. Your parental contributions paid for:

- In-class spending (klassengeld), with money being spent items such as LEGO plates, magnetic tiles and even a few sewing machines!
- The Superhero Party!
- The Sint's visit to the school
- The Koningsspelen
- The ice cream at the end of the year
- The musical text and propos

We loved organising the parties and coffee mornings where parents could mingle and get to know one another, and will continue to meet up with you this year as well. Check the dates on Parro!

# A side (thank you!) note

---

- The Parents' Association's members work very hard on a voluntary basis to organise the events, decorations and ensure that everyone can participate, so thank you!
- If you can/want to support these activities, please let us know!

# Let's meet!

- On Friday, 19 September, the Parents' Association is organising the start-of-year *borrel*. Join us and get to meet and mingle with the school community.
- The theme this year is, of course, Amsterdam 750th anniversary!
- For the children's activity we'll make boats and sail them in our "ring canal"
- Please bring small materials to build with: plastic, cardboard, small boxes, yoghurt pots, bottle tops, toilet/kitchen rolls, straws, foam pieces, etc. There are collection boxes!
- *If you'd like to help supervise the activity on the day, please let your class parent know.*

# Thank you!
